

# Just to let You Know

**Father Christmas gave us all a set of handbells!**

**'Send a Cow' charity**

Thank you for all your kind donations - we managed to fill our cow with £101 !!

**Reading Books**

Thank you for hearing your children read so regularly - it really does make a difference.

**Sound of the Week**

i-e (magic 'e') eg like, smile.

**Maths**

This week we are introducing the concept of Tens and Units. Look out for the Maths Focus on Monday.

**Welcome Back!**

The children have been working so hard after all the exertions of Christmas ... we are enjoying looking at different countries using maps, globes and the internet.

Please continue to send in interesting things from countries and, if you have a link with another country (and we know many of you do!) please do share a tradition, costume or story.

**Wild Place**

Weather permitting we will be going to the Wild Place on Monday 16th January. Please remember warm clothes and wellies.
