

Splash!

Thank you all for coming to see our production of Splash. We hope you agree that it was a great success. The children have worked really hard over the last half term to learn the songs and their lines. We are really proud of them and feel that it has brought the year group together as a team. Unfortunately we were so wrapped up in the performance that we didn't get a chance to take any photographs. We would really appreciate any that you could send us via an email to the class teacher.
