

Just to let you know

Maths

In maths, we have been looking at fractions, decimals and percentages. It is important that the children learn common equivalents

eg;

0.1, 10%, 1/10

0.5, 50%, 1/2

0.25, 25%, 1/4

0.2, 20%, 1/5

Keep up the times table practice too!

Reading

Reading records will be returned to the children on Monday 9th January. Please could you continue to sign in your children's reading record when they've read three times in the week.

HAPPY NEW YEAR

Dear Parents,

It has been lovely to see your children back at school. We have had a very successful first few days introducing our new topic, 'It's a Wonderful Life.'

Thank you all very much for sending the children back in with all their correct equipment. We are trying very hard to prepare the children for moving onto Secondary school where organisation of equipment is important.

Dates for your diary:

11th January Sex Ed meeting at 2.30pm

7th March Natural History Museum

21st March Wintershall

Happy New Year,

JJ, Tom, Helen and Mary.

Topic

This week we have considered what being alive means. The children have learned about the seven life processes.

Movement

Reproduction

Sensitivity

Growth

Respiration

Excretion

Nutrition

See if they can tell you what each one means, in relation to animals and plants.

Spellings

accommodate, accompany, according
achieve, aggressive, amateur, ancient
available, committee, communicate,
appreciate, awkward.
