

Just to let You Know

LIBRARY

Please return all library books as soon as possible!

'Olympic' Curriculum Week

We are looking forward to our lovely activities all next week. Please wear PE kit all week. We will be working in Houses and taking part in Olympic themed curriculum activities in Maths, Dance, Drama, Art and DT, Geography, History, ICT.

We are also lucky to have Gemma from the Sports Partnership coming in with her Sports Leaders from the County School to work with year groups.

READING BOOKS

These will be given out for the weekend and should be returned on Monday. We will then collect all reading records and reading books in and keep them here ready for September.

SPORTS DAY 11TH JULY 9.15 am.

We are keeping our fingers crossed for a dry day and looking forward to seeing lots of you at sports day. The children will be in their Houses and are following our version of the Pentathlon (javelin throwing, high jump, sprint, Olympic obstacle race and ball and scoop challenge). We have been practising and are very excited!

THANK YOU TO OUR LOVELY DADS FOR COMING TO VISIT US!

MOVE UP DAY

The children have 'moved up' to year two again this week. They are really enjoying being upstairs in different classrooms and working with slightly different groups of children – and some brand new ones!
