

Just to let you know...

TOPIC

Having spent time learning about the Battle of Bosworth, the children have gone on to write a non-fiction text. This has been quite tricky, but they have then worked really hard editing their work. They thought carefully about reader knowledge, chronology and accurate description. Hopefully they will be able to tell you some of the key parts of the battle, so please ask them all about it!

MATHS

This week in maths we have been learning how to multiply using the formal written methods of long multiplication and expanded method. The children used what they had learnt to solve Tudor-themed multiplication problems.

For more practise on this, go on to www.mymaths.co.uk (username: pewley Password: squared). Go to multiplication and division, Yr5, multiply double digits.

HOMEWORK

This week we are asking children to have a look for inspirational quotes which they particularly like, to decorate their Reflective diaries. Please write 5 quotes (correctly spelt and punctuated) into your homework book, ready to copy into your reflective diary, with drawings, in class.

Spellings

The spelling rule for next week is the prefix 'over', meaning 'in excess' or 'too'. For example, overrun, overwork.

Which of these roots words can have the prefix 'over' added to them?

- tired
- run
- grow
- find
- eat
- smile
- bottle

Can you think of any other words that can have 'over' added to the beginning?

Reading Records

Please continue to listen to your child read and spend time discussing the text and any unfamiliar words.

Remember to choose a new task to complete from the front of the reading records too.

*Please remember that we are off to Hampton Court on Monday 9th October! Please sign the consent form and make payment on Parent Pay. The children will need a packed lunch and school uniform! Thank you for all of your kind offers to help.

Maths Day

This coming week, on the 5th October, the children will be having an exciting maths day! They will be working in

Dates for your diary:

- Thurs 5th Oct - Maths Day
- Mon 9th Oct - Hampton Court Trip*
- Thurs 12th Oct - Individual photos
- Fri 13th Oct - Fluffy Friday
- Weds 18th Oct - 12.15 finish
- Thurs 19th/Fri 20th - INSET
