

Just to let You Know

Maths

The children have enjoyed exploring capacity during this hot week. Next week we will be working out how to find a missing number in a number sentence. Eg. $14 + \text{--} = 20$

Jubilee Celebrations!

On Friday 1st June we are celebrating the Jubilee. Please could your child come to school wearing a mixture of red, white and blue? We are inviting you, grandparents, aunts and uncles to a coffee morning in the hall from 10 o'clock - 10.45 am where there will be some tasty cakes for you to enjoy with your children.

Literacy

Everyone has worked so hard this week to write books about our visit to Guildford Castle and St Mary's Church. The children tried really well to write a series of sentences and they wrote lots of pages with enthusiasm. We had fun reading the books with our friends and remembering the trip.

Wild Place

After visiting St Mary's Church and enjoying looking at the stained glass windows we thought that we would have a try at making stained glass windows from natural materials.
Painshill Park visit on 12th June- Please look out for the trip letter today.

Sound of The Week

This is 'igh'. See if your child can write the same sound a different way. Look out for different words with the 'igh' sound and let us know.
