

Just to let you know...

Reception

Hazel & Willow

Phonics

This week Hazel class is learning the sounds c, k, e, h.

Willow class is learning r, m, d.

Please look out for your Phonics books with new sounds inside every Friday.

Thank you

Thank you for your help with sticking the phonics in on Friday mornings.

If you think you can help one week or join us on Wednesdays to the Wild Place, there are sign up sheets in the corridor outside the classrooms.

Parent Helpers

On a similar note, if you think you will be helping in class or going to the Wild Place quite regularly, please come to a meeting with Richard on 30th September at 2:30pm in the hall.

"...1 man went to mow, went to mow a meadow..."

Maths

This week we will be talking about the shapes of numbers. We will also be going on a number hunt. What numbers do you see around you? Which numbers have straight lines and which numbers have curved lines?

Cooking Corner

Thank you for your £5 donations. 
We loved making yummy smoothies.
This week we are going to make biscuits.
Please come and talk to us about alternative ingredients if your child may be allergic.
