

Curriculum News:

English:

Acrostic poems have been our focus.

Creative use of adjectives is the name of the game.

Really challenging

Ourselves to use absolutely

Super language and punctuation.

Trying our hardest to

Include adverbs as well!

Cross curricular fun!

Maths: This week we have been moving on to formal methods of subtraction. The children have been using counters and Dienes to support their learning. Later in the week we applied our understanding of addition and subtraction to word problems.

Reminders:

Christmas Play: Christmas play week has arrived! Please can you ensure that your children have their costumes in school in a named bag (black trousers, black top). We ask that children get dropped back off at school on the days of their performances at 6:45pm. We will be meeting in 5H where the children will get ready to perform. You can collect your children at the end of the play (no later than 8pm) from 5H. Please ensure that a teacher has seen you collect your child at the end of the evening.

Christmas Carols at Addison Court:

On Friday this week, along with rehearsing for the school play, we got ready for our visit to Addison Court. The children wrote Christmas poems as well as made cards and decorations which they will share with the residents on the 18th December.
