## Phonics

We will be continuing with our curly caterpillar letter family. We will be writing s in sand and salt, finger painting f and writing q as quickly as we can! We will then revise last week's letters c a o g and d.

## Maths

We are going to be learning about 3D shapes. Below is a picture of the shapes that we cover in Reception.

Maybe at home you could have a go at making some 3D models out of cardboard boxes. What shape are your boxes? Is you're a tissue box a cube or cuboid? Can you find any cylinders?
