

Year 6 Group Room

The boys and girls have been looking at the spelling list attached to last week's Year 6 JTLYK. We picked out words where suffixes could be added, e.g. important/importantly, know/knowing.

They revised the skills required to answer questions in a reading comprehension exercise. Using 'Breathless', a shape poem, they learnt how to verbalise their answers before committing to paper.

Next week we will continue with SPAG - Spelling, Punctuation and Grammar exercises and writing a non-fiction piece of work.

Keeeeeeep reading!

Have a great weekend.

Lynn and Tina
