

Year One Beech and Oak 10th January 2014

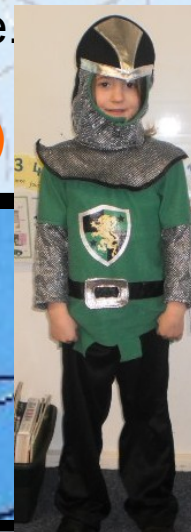

Thanks from all the Year One team for the lovely cards and gifts you gave us for Christmas

Dear Parents,

Happy New Year! We have had a great week with the children back at school. We enjoyed sharing stories on our first day back and Tuesday was wonderful seeing everyone dressed up as fairytale characters! We have started our new topic by getting engrossed in fairytales and we have introduced the children to adjectives (or 'Wow' words as we also call them!) It's been lovely to hear from lots of children how busy they have been over the holidays. Please do encourage them to tell us what they have been learning at home.

Emily and Hannah :)

Sound of the Week

See if your child can have a go at this week's exciting phonics challenges in their sound of the week book!

Maths Focus

This week we have been revising 'time' by reading o'clock and half past on a clock.

Can you keep a time diary one day this weekend noting down what you are doing at o'clock and half past throughout the day?
