

Dear parents,

The School Council have been thinking about introducing more healthy snacks into the school in September, as requested by the parent focus group and the new year3 parents. We have made a list of the suggestions from our classes of things we think we could bring.

- Fruit
- Raw vegetables
- Dried fruit
- Cheese
- Breadsticks
- Small sandwich/bread based product
- Cereal bars(not chocolate covered)
- Cheese dipper
- Rice cakes
- Oat cakes
- Yogurts
- Humzingers

Please look at this list and send back any comments you may have.

Yours sincerely
