

Just to let you know...

Dear Parents,

We have had a great week writing about the robbery in our class reading book 'Stig of the Dump'. We have pretended to be police officers and have written our very own police reports in an impressive, formal style!

In our maths lessons we have consolidated our understanding of column addition and subtraction. Ask your child whether they can tell when to use column methods. Is it always the best method? We have had a great Fluffy Friday and the children have impressed us as always with their enthusiasm! Thank you to everyone that was able to come along and help out too. If your child did not bring in £1 please try and send this in on Monday as this money really helps us to fund our fun activities.

Have a great weekend,
Emily, Sarah and Nick

Role Play in drama lessons

Spellings

certain, centre, circle, century,
bicycle, recent

This week we have looked at words with a soft 'c'. We have considered whether there is a pattern for when this is used and whether there are any exceptions. Please keep practising the spellings at home and be creative with your methods for learning them. Look in their red spelling book for ideas.

P.E.Kit

Just a little reminder that the children need to have their P.E. at school for their P.E. lessons. Leaving it at school all week is ideal. This should be full kit with house T-shirts and should be suitable for the weather each week.

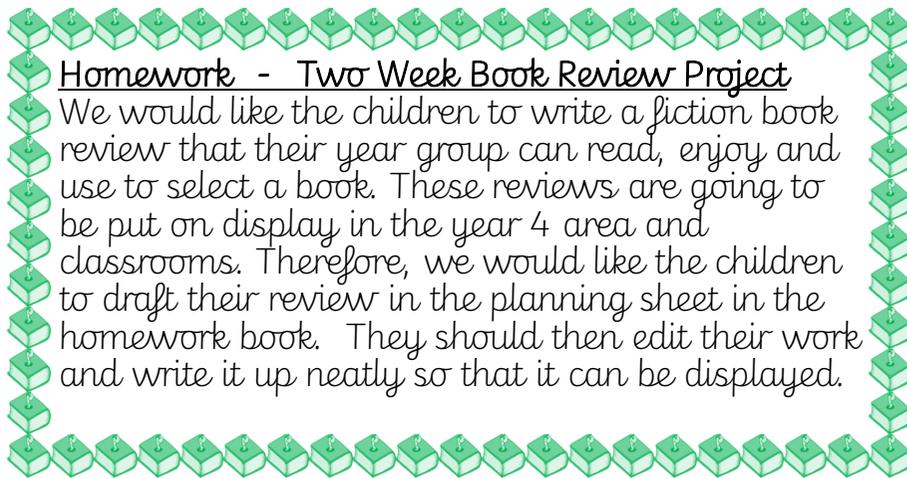

We would also be extremely grateful if you are able to donate any old P.E. kit including house t-shirts so that we have spare kit for use at school.

Homework - Two Week Book Review Project

We would like the children to write a fiction book review that their year group can read, enjoy and use to select a book. These reviews are going to be put on display in the year 4 area and classrooms. Therefore, we would like the children to draft their review in the planning sheet in the homework book. They should then edit their work and write it up neatly so that it can be displayed.
