

## Thank you

Thank you for all the wonderful dinosaur books, models, fossils etc that your children have brought in. Please make sure that the books are named.

## Natural History Museum

We are very excited about our trip on Tuesday 11th June. (Letter this week)  
Please return the permission slip and payment to Ruth.

Each class are able to take just a few helpers for the trip so please do let us know if you can come with us.

Friday 3rd May

## Dinosaur Museum in Year 2

This term we will be working hard to learn lots about dinosaurs. On 12th July (morning) we would like to invite you to visit our dinosaur museum in Year 2.

## Maths

This week we have been thinking about different methods for addition and subtraction. We have also worked on some reasoning and problem solving questions. The children are great at explaining how they tackled a problem.

## Capacity

What fun the children had working out which containers held the most water, and finding fractions of measure.

## English

This week we have been learning about different dinosaurs and the children have written some great fact files.

They amaze us with their dinosaur knowledge and ability to read really tricky dinosaur names!
