

Just to Let you Know...

Next year we will be starting our Invaders topic. We will be looking at Romans in the first half term and the Vikings in the second half term. In particular, we are focusing on how and why the Romans and Vikings invaded Britain and how they contributed to the development of modern day society.

Spellings and Reading

There will be no spellings to learn over the Christmas holidays, but please encourage your children to write their own Christmas cards and practise their words so far. Keep up the fabulous reading at home please and do see us, or Geraldine if you need any new reading ideas.

Have a great Christmas and thank you for all of your kind gifts.

Best wishes,

Julia, Jo and James

We look forward to seeing you on Wednesday 6th of January 2016!

Materials Exhibition

A big thank you to all of you who came to see our Materials Exhibition. It was a huge success.

The children loved having the opportunity to share their Crazy Inventions and give demonstrations of all the scientific investigations we have carried out this term.

Christmas Art

This week, Year 4 have been looking at a range of different pictures of the nativity from around the world. Pupils discussed what symbols were used and what they represent.

We discussed the use of colour and how this is used to convey a particular idea or emotion.

After exploring and discussing a range of pictures, all the children came up with their own interpretation of the Christmas story, using a range of media.
