

Topic fun

We have been doing lots of singing and practising for our Christmas production and we sound fantastic!

This week we have started making our own nativity scenes from shoe boxes and dressed our puppets as the characters from the Christmas story. We have enjoyed Christmas maths and science and written our own nativity stories.

Spellings ...

This week we are revising our mnemonics -

friend

fat rats in every nice dinner

they

tigers hate eating yoghurts

Come

Camels only munch eggs

Said

Snow and ice disappear

Maths

Mathletics website and log in

These have been stuck in to your child's Home/School book. Some of you with children at Holy Trinity will know all about the Mathletics website.

We are sending home your child's log in for you to explore this useful resource at home. Have fun exploring and let us know how you get on. Look in the Year Two area and have a go at some of the areas we have learned this term.

Writing corner

Have you written to Father Christmas yet? remember to show it to Mummy and Daddy before you send it :))

Things to remember

Group Reading - this week is the LAST week for Group Reading until the New Year.

Thank you to our brilliant helpers— see you in the New Year!

Christmas Play

You have had a letter home explaining what the children should wear to school and to the play on Wednesday and Thursday next week. Please dig this out and make sure you understand! Come and see us with any queries.

Swimming

This has now finished for the term.

I'm bored box

What is your favourite Christmas film, book or programme? Write a review to tell us why you love it and why we should watch it or read it.
