

English

The children have done some brilliant writing this week—telling the story of Piper, a little bird who faces fears and overcomes challenges to succeed. The children have used lots of exciting adjectives, and thought about describing feelings as well as things we can see or hear more easily.

Can you make these jumbled up sentences make sense: <https://www.turtlediary.com/game/sentence-unscramble-second-grade.html>

Year Two Chestnut & Walnut JTLYK

We enjoyed the
sunshine for our Year
Group assembly.

Friday 17th March 2017

Things Coming Up...

Class Photos—will be in the morning on Monday 20th March.

Red Nose Day—we will be raising money with our Swimmathon on 22nd March, and enjoying a school Talent Show on Friday 24th.

Pause Day—we will be enjoying a Pause Day which involves different reflective activities on Monday 27th March. As part of this we'll be making Easter Gardens (details of things to gather in a separate letter...)

Easter—Our Easter church service will be Tuesday 28th March—any parents who can help supervise the walk to and from church, please let us know.

Swimming—we have swimming every Wednesday morning up until Easter, and beginning again on 19th April.

Maths

This week we have focussed on subtraction, and maths word problems. Can you work out what the maths is asking from the words?
e.g. *Bob bought 6 apples. he ate four and gave one to his friend Sue. How many does he have left?*

$$6 - 4 - 1 = 1$$

Homework

Really well done with the homework books & thanks for the feedback about the different activities. Do let us know if you have any questions about the things we send home.
