Garden Party Invitation

A date for your diary! Year One are holding a 'Garden Party' on Friday 25th May from 2pm. This will be a chance for you to visit us in Year 1, enjoy looking at the latest Topic Book and have a look at our lovely garden and all the plants that have hopefully grown by then!

Maths Corner

This week we have been practising writing our numbers the right way round. The children have worked out how to count in 2's, 5's and 10's and had a go at finding some missing numbers. Eg 0, 2, __, 6, __, 10, or 12, __, 16, 18, __ etc
Have a try at home at this game.

Dear Parents,

What an exciting start we have made to our 'Ready Steady Grow' topic! We had a lovely surprise on Tuesday when we were introduced to 'Gardener George' who will be setting us different growing challenges each week! Our task this time is to find out how to grow cress. We decided to investigate what will happen if we try to grow the seeds with or without soil, light, or water We will report back on our findings!

**Do you have any herbaceous and flowering plants or herbs that you could donate to our Year One garden? We will be very grateful for any that you have spare
thank you!**

Finally, we are pleased to welcome back Chloe, our SCITT trainee who is working in Oak Class till the end of the term.

The Year 1 Team

On Wednesday 26th April the children are going to be making musical instruments in their Music Lesson. Please could your child bring in an empty plastic bottle with a lid or a small box with a lid. Please bring this in from Monday 24th and give it to your child's teacher. If you have any extra bottles or small boxes we'd be grateful for them too.

Thank you
