

Just to let you know...

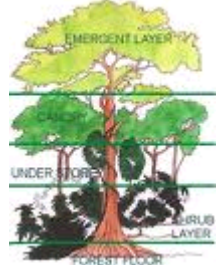

Bikeability Group 1 Sessions start on Monday at 1.30pm

Please bring helmets, check your bike and don't forget consent forms!

The children have learnt about the layers of the rainforest this week and are making a beautiful poster about their findings.

See if they can tell you about what lives where:

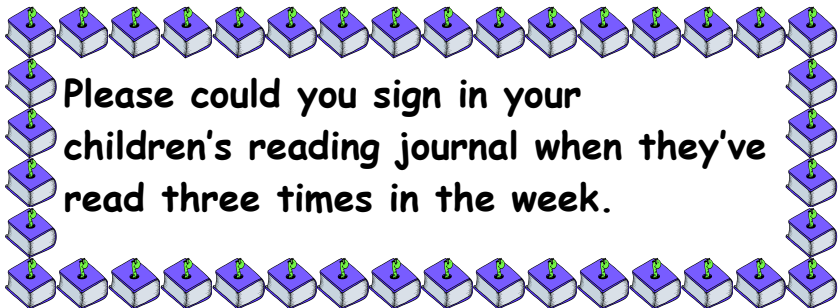

- Emergent layer
- Canopy
- Under storey
- Forest floor

HOMWORK ACTIVITIES

We will be completing our fact files next week so this weekend we would ask that your child researches and brings in any pictures, extra information and additional background detail about the Amazon.

The children have been reminded of their *mathletics* logins and we have assigned them an activity on rounding numbers to see if they can remember the rules for rounding we covered last week.

Please could you sign in your children's reading journal when they've read three times in the week.

Dear Parents,

Thank you for coming to the curriculum evening on Thursday; it was lovely to see so many of you there. Please check your Parent-Mail for details of what was covered.

Best wishes

Clare, Mary, Sarah, Cheryl and Helen

In maths this week, the children have been extending their use of formal addition and subtraction calculations so that they can work with decimals. Some children have also applied their skills to problem solving.

Try some at home:

$$\begin{array}{r} 28.91 \\ +17.64 \\ \hline 46.55 \\ 1 \quad 1 \end{array}$$

$$\begin{array}{r} 8 \overset{1}{9}48 \\ -263 \\ \hline 685 \end{array}$$
