

Just to let you know...

Maths

A bus stops at 4 stops. It takes 3 minutes to get from stop 1 to stop 2. Stop 2 to stop 3 takes twice as long as the previous journey and stop 3 to stop 4 also takes twice as long as the previous journey. If the bus leaves stop 1 at 2.35 what time will it reach stop 4?

You may have guessed that time has been on the menu this week. Can you work out this tricky challenge with the help of your child?

Reading with Year 3

English

This week the children have been learning about the Great Plague of 1665. The children have been practising their note taking skills by focussing on skimming and scanning for appropriate information. They have then been using their research to write a diary entry from the perspective of either a London doctor, family member or a body collector. The focus has been on getting the children to write descriptively and emotively.

Apologies for last week spelling mix up. If you are ever unsure, the spellings in their reading journals are always correct and the ones to learn!

Spelling

hopeful
careful
tearful
fearful
cheerful
pitiful
dutiful
useful

Lists

spiteful
delightful
dreadful
grateful
beautiful
sorrowful
graceful
disgraceful

HOMWORK

There is a Mathletics task on time! Please can the children create a piece of Art based on The Great Fire Of London. This can be done in any medium you choose. The piece should include 5 key points based on the fire. For example the date and where it started.

DATES FOR YOUR DIARY!

11th December- Tudor Fair
Parents are welcome to come! It will start at 1.45 and be in the hall.
We would love the children to dress up in the same costumes they wore for the Tudor Day

15th December- Yr 5 & 6 Disco
