

Just to let you know...

In English and topic we have continued working hard on the LEAPs projects. The children have also been designing the sets for the animations. If children have a digital camera which they could bring in for the week after next, that would be great! We have also been making front covers and putting topic books together.

Thank you so much for all your help with group reading this year; we've had some fantastic parent helpers who've made it a real success. We really appreciate your help!

Dear Parents,

We've had an exciting week; a very successful District Sports (well done Year 5) and a soggy theatre visit on top of all our hard work.

Next week is Curriculum Week, this year we have an Olympic theme. The children will rotate through a number of different activities throughout the week and will be working in their houses, with children from years 3, 4 and 6. Children should wear their House t-shirts and either uniform or PE bottoms.

Celebration evening will be held on Monday 16th July at 4.00pm, please come and have a look at the brilliant work which the children have been doing.

Some year 5 children have opted to perform in a clarinet concert on Monday 9th July, it will start at 3.15 and will finish at 3.45, it will be held in the hall. Please encourage them to practise and do come and support.

Love from
Bec, Henry and Mary
