

Year 5 Group Room

Each Monday we ask the children if they have looked at JTLYK and so far there has been a resounding, 'No!' Most weeks we list the spellings and let you and the children know what the writing task will be the following week. Pre-knowledge helps children's learning as they can begin to plan spelling strategies and be thinking about the writing task.

This week children have written school reports, reflecting on where they have seen areas of improvement, needs for development and their 'Golden Nugget', - their proudest achievement.

We were very impressed with how well the boys and girls tackled the reading comprehension and grammar tasks.

Spellings next week will be more homophones:

write/right, night/knight, eight/ate, weight/wait.

This list will be given out on Monday and the children tested on Thursday. CHILDREN - please bring your spelling books to school on Thursday.

Have a great weekend.

Kind regards,

Lynn and Tina
