

**JTLYK Reception**  
**Friday 3rd November 2017**

**Parent Consultations**

We are really looking forward to seeing you next week at Parent Consultations. Each appointment is 10 minutes long. If you think you will need longer, we can easily arrange to see you at another time.

Appointments have been sent home in book bags so if yours has not reached you please pop in and see us or email Frances/Bec or Sheena asap!

**Our next LEAP/topic that the children want to learn about is wild animals. So if you have any resources that you don't mind sharing with us, please name and send in. We will take great care of them!**

**PE Kit**

Please could you make sure that every item of your child's PE kit is named by next week's lesson. Thank you!

Dear Parents

We have had a lovely busy first week back. The children have been making 'potions' in the Rainbow Room in order to practice their fine motor and cutting skills. We have really enjoyed the fine Autumn weather this week with an outdoor maths treasure hunt as well as making rhythm pattern sounds with percussion instruments at the Wild Place.

Next week we hope to read stories that children can add their own sound effects to (eg We're Going on a Bear Hunt, Peace at Last, etc) please do send them in for us to share! We have also learned to use our phonics to write 'pop' with glitter to decorate our beautiful firework paintings!

We love learning about the different religious festivals and special occasions that our children's families celebrate. If you would like to come in and tell us all about them, please let us know - you will be very welcome!  
Have a great weekend.

The Reception Team :))

**Phonics**

This week we have learned the sounds o,c and e. You will find them in the back of the jtlyk books for the weekend!
