Move Up Days

The Year Two team have been up at HT for the last two days teaching Year Three! We have been able to see our lovely children having a great time. We bumped into them in the woods with their new teachers and they were very excited and chatting away to new friends.

Dinosaur Museum Success!!

Thank you for all your support for our wonderful Dinosaur Museum on Monday. The children have worked so hard to present their findings and ideas. We hope you enjoyed it as much as we did!

This was very much our end of Year 2 celebration of work, and as such there is no need to come in again on Monday afternoon.

We look forward to seeing parents at the Year 2 beach trip and BBQ, and of course the Leavers' Assembly.

Maths & English

We have been continuing to practice our Maths and English skills through early morning activity and daily practice. We have been working on consolidating quick recall of number facts, with a focus on multiplication, number patterns & sequences, and finding their own calculations for given numbers. We have planned and written our own very imaginative stories relating to the Dinosaur Museum, and worked on the past and present tense.

A website which might be fun to help children at home is:

Games 5 and 6 would be particularly useful.
