

Just to let you know...

BENTLEY COPSE

13th-15th June 2012.

Just two days after we get back from half term.

Those parents who have offered to help with lifts, you should now have a copy of the children coming along in your vehicle.

If you have offered help with the activities or food we look forward to seeing you at Bentley Copse. Thank you!

ENGLISH

This week invitations have gone out from the Queen inviting the children to our Jubilee Celebrations on Friday.

The children have researched information on the Queen, finding out about her family, her duties as Queen, her hobbies, her clothes and a timeline looking at different decades during her sixty year reign.

Have a fantastic holiday and well-deserved break. Thank you for all your support again this half term.

Best wishes!

Alison, Nick, Tracey. Sanchia and Emma.

SCIENCE

This week we have been learning about all the different parts of a plant. We have dissected lilies, tulips and buttercups to locate and understand the functions of each part of a flower.

Ask your child if they can name the male and the female parts of a flower?
