

Just to let you know...

This week we found out more about the Roman Invasion in AD43, including Hadrian's Wall. Ask your child what interesting facts we have discovered!

In English we have been exploring how to make our sentences more exciting by using a range of different sentence openers. We have also looked at how to use apostrophes for possession.

Dear Parents,

Thank you for attending the maths evening, we hope you found it useful to give you some ideas to support your children with their learning of maths and an insight into how we deliver this in school. If you have any further queries then please do not hesitate to contact your child's class teacher.

The homework task for this week can be found on mathletics, which is linked to our time topic. Please have a go at working out the timetable problems, as this will reinforce our learning.

<http://www.mathletics.co.uk/>

Reminder: Next Friday (29th) is the Christmas Fair!

We hope you have a lovely weekend.
Julia, Sheila and Mel.

Spellings - Suffixes

championship
craftsmanship
neighbourhood
knighthood
fairness
kindness
carelessness
willingness

government
employment
management
environment

soldier
Hadrian
conquered

In Maths, we have been learning how to solve time problems using RUCSAC. Pupils have been applying their knowledge of analogue and digital time to work out their answers.

If you haven't already done so and would like to support your child further, then have a look at the MyMaths website choosing either level 3 or 4, Shape, Measures and then telling the time activity.

Please could you hear your children read regularly and sign in their Reading Journals. We really hope they'll be bookworms by the end of the year!!

Thank you to all those parents who helped us walk down to the Castle and joined us for our Remembrance Service, last week. We had a really special time sharing poems, facts and prayers, as we laid down our poppy wreaths and remembered those who have given their lives during times of conflict.
