

Just to let you know...

Year 1 6.6.14

Dear parents,

Thank you for sending the children to school in such fabulous pirate costumes on Monday. We had a great day and it was a fab start to our new topic. It was so exciting to find a bottle with our name on it and a message inside! We will see what other treats appear in the bottles over the half term!

Love Hannah, Emily and Jacob x

Maths

This week we have been getting back to basics with our number work. We have been practising reading and writing numbers to 30, 100 and even 1000! We also had a go problem solving, finding strategies to explore how many ways we can make a total. See if you can pick a number to 20 and explore how many ways you can make it by adding, subtracting and even saying how many groups of, e.g. 10 is 2 lots of 5.

Please remember that next week is Sporty Week! The children will need to be in their P.E. kit all day for the whole week. We have sent their kits home so they can come in wearing them on Monday.

They also need a water bottle every day.

Date for your diary:

Year One Trip to Painshill Park
9th July 2014

Letter to follow soon.
