

The children had time to finish off their stunning watercolour paintings of the Ironbridge Gorge, if they were in school. They have also been preparing their country display at the Great Exhibition, creating maps, adverts and instructions.

Just to let you know...

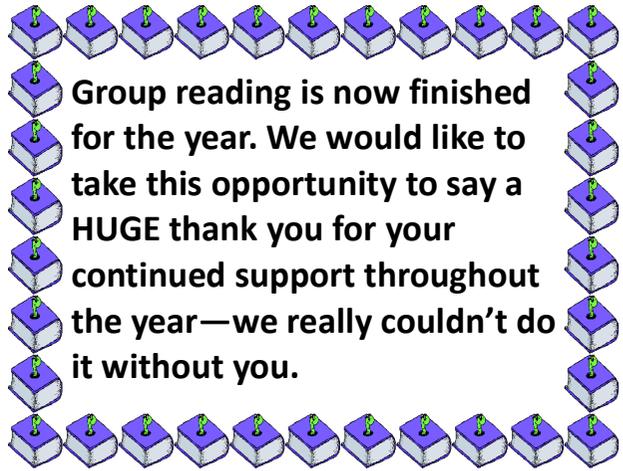

Tuesday 17th July, at 2pm

We have been very busy this week preparing for the Great Exhibition. Please make sure the date is now in your diaries and that your child has a Victorian costume for the occasion. We are very excited about what is sure to be an amazing end to the topic!

Trinity Trek is next Friday (13th). Please make sure your child has all the required equipment from the Kit List. They should also know what to bring for their cooking groups. We are very much looking forward to it!

Group reading is now finished for the year. We would like to take this opportunity to say a HUGE thank you for your continued support throughout the year—we really couldn't do it without you.

Dear Parents,

Next week is Curriculum Week, where our focus is on the Olympics.

The children will be working in their houses to take part in four different workshops. They can wear their house t-shirts each day apart from on Tuesday when they will travel to the Cathedral for the Leavers' Service (in smart school uniform) and then come back for Sports' Day (PE kit needed) which starts at 1.15pm

Also, please remember to send in the £10 required for the Trinity Trek.

Best wishes,
Clare, Julia, Sarah, Mel and Helen

Most of our children have now managed to visit their secondary schools. We have also done some work on transition ourselves and hope that they are now confident and ready for the next stage of their education. We recognise some feel anxious, but we are still here for them and will be visiting lots of them next year to see how they are getting on!
