

JTLYK Reception Friday 10th May 2019

Look Out Trip 12th June

Please make sure that your permission slip and payment are in school by Friday 17th May. We do need some helpers, so please let us know if you are able to join us asap. Thank you!

Dear Parents

We have had another lovely, busy week in space! The children are really inspired by this topic and have all taken the opportunity to improve their writing skills as a result. The children love learning about the planets, the moon and the sun. Thank you for the lovely story books that you have sent in too - we always appreciate more!

We have also made some fantastic art work inspired by astronauts, the earth, the moon and galaxy!

The school nurse will be visiting us next week to do 5 year old checks. If your child is absent on Tuesday they will be returning the following week.

Have a great weekend!

The Reception Team :)))

Wild Place

Thank you once again to our lovely parent helpers who have volunteered so far. Please remember to sign up for next Thursday morning.

Water Bottles

Please make sure that these are brought in everyday, are named and **only contain water.**
