

### This week...

What an exciting week we have had! We began with a wonderful visit to St Paul's Cathedral on Tuesday. The children loved the visit and were fantastically well behaved. The children had fun writing some questions for each other about the visit. We then swapped quiz booklets and answered the questions.

We found out some incredible facts during our visit.

The children were amazed that they climbed 257 steps to the whispering gallery! Some people thought that they were able to hear the whisper that we whispered into the wall. We could hardly believe that only 8 pillars are holding up the huge dome.

When we lay on the floor the mosaic tiles in the ceiling glittered in the sunlight. What a great day of learning we had!

### Road Safety

The children have been very busy drawing road safety posters this week. We are going to teach the children the green cross code.

On Friday 23rd November (**Beep Beep Day**) we are asking the children to come to school in bright coloured clothes please. There will be a special assembly where we look forward to welcoming a road safety expert.

Year 2

Walnut and Chestnut

16.11.18

We have also had fun practising our Christmas play. The children are working so hard to learn their lines, songs and actions.
