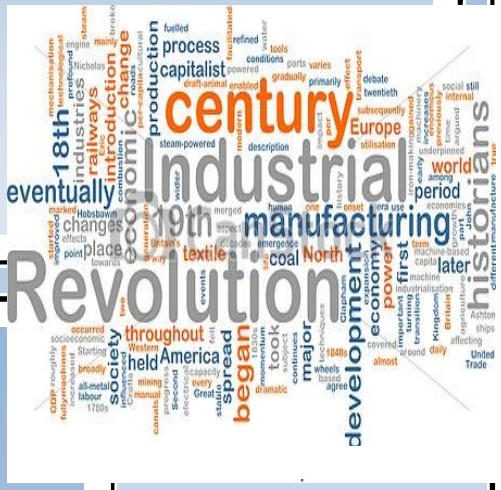
Just to let you know

This week, we launched our topic; introducing the Industrial Revolution by doing a history carousel. The children focused on the importance of the Industrial Revolution, transportation, communication and the golden age of steam. Next week we will be creating our Victorian Leaps. Please encourage your child to think about what they are passionate about and begin to research this in the Victorian era over the weekend!



There has been a slight change to the dates for Airhop; next week (8th May) will be the turn of 6M.

<u>Dates for your Diary.</u>

Monday 4th May-Spring Bank Holiday

Tuesday 5th May—Class photos

Monday 11th-14th May-SATs week

Friday 15th May-Lido trip

Friday 22nd May—FLUFFY

Friday 22nd May– break up for half term

Please remember that it is just as important for the children to rest and play, as it is to work at the moment so do encourage them to have some time to do just that this weekend. If there are any areas which your child would like to have another look over, some good revision sites are listed below:

www.mymaths.co.uk/ **(login: pewley password: squared)** or http://www.bbc.co.uk/bitesize/ks2/ where there are good tutorials and activities to consolidate learning.

Some other good websites for revision activities:

http://sats.highamstjohns.com/PastPapers.html
