Group Room Year 4

There are no new spellings this week, but the children will be tested on all the spelling sounds they have learnt.

Please practise these words for a test on Monday 28th April

On Thursday we revisited how to write instructions and the children wrote instructions on 'How to Grow a Magical Plant'. We focused on sequencing instructions logically and using appropriate imperatives at the start of each instruction.

children should know which colour reading book they are on and how to change them. Please read with them as much as possible.
