

Just to let you know

Dear Parents,

Thanks so much for sending the children back, both in school uniform and ready to work!

It is very important that your child is in school on time as we lead up to SATS and transition through to Secondary School. Over the next three weeks, as well as our focus on SATS, the children will be learning about The Islamic Empire AD700-AD1258.

For Year 6 this is a very busy term with our residential, Trinity Trek, visits to secondary schools, Junior Citizen as well as preparing for their Great Exhibition so please check JTLYK for relevant information.

Thanks for your support,

Mary, Tom, Helen and Helen

This week's spellings: all have a prefix. Please ask your child to say the word as well as learn it. There are often mistakes with the 'im' and 'in' prefix.

subheading international interact

intercity refresh submarine superstar

antiseptic anti-clockwise supermarket

submerge antisocial autobiography

return superhuman autograph

reappear redo important impossible

H.W.

The children will come home with an Arabian Nights Story. Please ask them to read it aloud with you or read it to them. Ask them to write some comprehension questions about the story and bring them in on Monday.

German - Try and find some facts for Louise about German culture or sport or food or geography or language.

Dates to remember:

Thursday 14th April : SATS, Preston Montford meeting 7.00pm

Monday 9th May— Thursday 12th May—SATS WEEK

Friday 13th May—Lido trip

In maths we have been revising how to reflect and translate (or sliding) shapes on a co-ordinate grid. Please ask your child how they remember which axis comes first?

Words of the week—check if your child is able to explain their meanings.

Product, factor, multiple

Co-ordinate, origin, axis (axes), quadrant, vertical & horizontal
