

Just to let you know...

We had a lovely time on Thursday celebrating the Queen's 90th birthday. We had a carousel of activities in the morning and then a lovely tea party and games in the afternoon. Have a look on the website and twitter for photos!

We would love to share with each other some cross cultural celebrations. If you celebrate certain festivals at home, we would love to hear about them. Just pop the details in your child's JTLYK book.

The children loved making mud pies and cakes for the Queen at the Wild Place on Wednesday. Please sign up if you can help on a Wednesday afternoon 1.30-3pm The more helpers the better!

In maths we have been learning about 3D shapes. Some of them have very funny names so we have been using actions to help us remember-see if your child can show you. We will continue our work on 3D shape next week.
