

Just to let you know

Homework

We will not be doing any more 'Maths Facts' homework, however please ensure that your child is regularly looking through their book to aid their revision of key maths concepts.

Reading task— Please continue to sign your child's reading record when they've read three times in the week. We have handed out new reading tasks for the children to complete. This week, your child should also have completed a **SATs practice maths worksheet**.

Spelling— There will be no spelling tests in the summer term. However, prior to SATs, please make sure that your child is able to spell all of the spellings from the Yr5/6 spelling list which should be stuck on the inside page of their reading records

Preston Montford.

Please remember to hand in your child's pink and white Preston Montford slips. They need to be in ASAP! Please contact your class teacher if you need another copy.

Dear Parents,

Thank you so much for sending the children back, both in school uniform and ready to work! We were so impressed with the revision work they completed over Easter. Thank you for your support with this.

It is very important that your child is in school on time as we lead up to SATS and transition through to Secondary School. Over the next four weeks, as well as our focus on SATS, the children will be learning about The Islamic Empire AD700-AD1258.

For Year 6 this is a very busy term with our residential, Trinity Trek, visits to secondary schools, Junior Citizens as well as preparing for their Great Exhibition so please check JTLYK for relevant information.

Thanks for your support, JJ, Tom and James

Maths

In maths this week we have been revising a range of maths topics

including:

Ratio

Rounding

Ordering

Fractions

Percentages

Pie Charts

Please encourage your child to come and see us if they are finding anything difficult or if they have any concerns. We are more than happy to help and go over topics!
