

Just to let you know...

To finish off our work on Antarctica, the children were told the story of Shackleton's last journey. They have then retold the story in a storyboard format and reflected on the leadership qualities he exhibited—as one of our House heroes, his life is an inspiring story for us all.

This week we have been finishing off our topic, compiling the whole term's work into a topic book complete with a contents page.

Please ask your child to make sure they have finished off any work that is incomplete.

Library books changed on Wednesdays. Next week 6SC

Next week we will be beginning a fortnight's project on the Narnia stories, linking them to Christmas and looking at Aslan as an allegory for Jesus.

Also we will be planning our Christmas Charity Day (Tuesday 17th December) when Year 6 will be running sideshows, competitions and other entertainments for the rest of the school to raise money for Guildford Action supporting the homeless in Guildford this Christmas and also for Syrian refugees.

Dear Parents,
Congratulations to all the children involved in the play—you did a fantastic job! You were all fantastic actors, singers and technical teams!!
We hope you enjoy a well earned rest this weekend!
Please do remember to send in Preston Montford deposits as soon as possible..
Best wishes
Clare, Mary, Sarah, and Cheryl

In maths this week we have continued our work on problem solving— look at mathletics for some other examples or try Mymaths (login pewley, password squared)
Do remind your child to get organised with their Adaptation project, tackling it a bit at a time. Due in Monday 16th December.

Please could you sign in your children's diary when they've read three times during the week.
Group reading will take place next week as usual!
