

Year One
Beech and Oak
12th December 2014

Update!

You will have received a letter this week about our topic in the New Year. The children need to bring in a book on the first day back (Tuesday 6th Jan) and come dressed up on Wednesday 7th January.

Sound of the Week

We are continuing our phonics work throughout the festive period so the children have a new activity to have a go at this week!

Maths Focus

We have been practising all our mental maths skills this week. We have been counting up and back in steps of 1,2,5 and 10. We have also been reading and ordering numbers within 100. The children have also been working out 1 or 2, more or less,
Can you think of some Christmassy number problems to solve?
How did you solve it? How many toes would 3 Elves have?
(count in 5s or 10s). How many antlers would 10 reindeer have?

Dear Parents,

We are so proud of all the children for their performances in our lovely play this week. They have really enjoyed practising and performing the play. We hope you enjoyed it too. Yesterday's Christmas dinner was delightful and the children enjoyed their crackers and party hats! Next week we have our carols around the tree to look forward to as well as a Year One party on Thursday.

Emily and Sheena :)
