Just to let you know...It's almost Christmas!

Dear Parents,

A big thank you for all your support this term, it has been great getting to know you all and your wonderful children!

It has been another busy week at HT and I'm sure you were as proud as us of how well the children performed in the school play. We have also been finishing our topic books, which will be coming home next week full of this term's learning.

Have a restful weekend,

Jo, James, Rachel, Maggie and Georgie

Topic

This week we studied paintings of the nativity from a variety of artists from different parts of the world. We analysed the colour, symbols, light, characters and emotion in the paintings before planning and painting our own.

Help needed

We still need a few parents to help walk the children to church on Tuesday afternoon. We will be leaving here at 1:15pm. Please email your child's class teacher if you can help out.

Maths

This week was full of Christmas maths! We drew coordinate inspired Christmas trees, made decorations from 3D nets and solved Christmas problems.
