

Just to let you know...

MATHS

We have continued to look at fractions in maths this week; finding equivalent fractions, comparing and ordering fractions and looking at mixed number and improper fractions. If you would like some more practise, go to:
www.mymaths.co.uk (username: pewley password: squared). Go to Number—Fractions and click on 'improper and mixed fractions'.

In SPAG we have been investigating adding suffixes beginning with vowel letters to words ending in -fer.

Spelling test will be every Wednesday.

- referring
- referred
- referral
- preferring
- preferred
- transferring
- transferred
- reference
- referee
- preference
- transference

(If your child has been given spellings from Heather P, they won't be learning these ones too.)

Dear Parents,

5H had a wonderful time at RGS on Monday. Next week, is the turn of 5L, they will be walking down after registration. They will be back at lunch time, ready for the afternoon performance of the play. Children will need to be in school uniform and to have a packed lunch please.

The Christmas play is next week, please see the newsletter for performance details. Year 5 will be singing 'Favourite Things' and have been asked to wear 'traditional' pyjamas, (no onesies). Do make sure they're named please.

Please return slips for Christmas lunch as soon as possible.

Thank you!

Heather, Laura, Bec and Nick, x

DATES FOR YOUR DIARY

- Monday 12th Dec**—RGS day 5L
- Friday 16th Dec**—Optional late start (children must be in by 10.30 please)
- Friday 16th Dec**—Christmas lunch and movie
- Monday 19th Dec**—Tudor Fair/Topic book look 2.30—3.30 in the Year 5 classrooms
- Monday 19th Dec**—Christmas disco

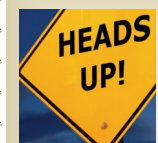

ENGLISH AND TOPIC

The children have been busy editing and publishing their super biographies on Queen Anne. In Topic, we have been putting together topic books and designing some stunning front covers for them in Art.

RE

We have been looking at why light is important to Christians, especially at this time of the year.

MATHS... A heads up!

Next week in maths, we will be having fun and practising our problem solving skills with a variety of Christmas puzzles, problems and conundrums.
