

## Year 2 News

The children have loved performing in the Christmas play, "Baubles" and everyone did absolutely brilliantly! We are so proud of their dedication, hard work and commitment as they learned their lines, dance moves, songs, actions and stage directions. They also enjoyed their delicious Christmas Lunch on Thursday.

On Tuesday morning we will be enjoying a visit to St Mary's church for a carol service. If you would like to join us for the walk down and back and also for the service please let us know.

This year, as a school, we are supporting the work of 'Toilet Twinning' again. This organisation builds safe, clean toilets in places around the world where they are desperately needed. Please send in a few pennies for our collection if you are able to.

### Home Fun Books

We will give the children their green Home Fun books to keep at home over the holidays. If you'd like to do any extra work please revisit any favourite activities or catch up with any that you missed.

### Maths Corner

Can you learn all of the double and half facts up to 20? e.g. Double 9 is 18 and half of 20 is 10.

If you master the numbers to 20, see what other doubles you can learn? Double 50 and half of 100 are useful things to know! Can you write some Christmas maths problems (or ask a friend to write some for you) and think about how you could show how you solved the problem using these signs:

+ - x

E.g. If each child has 2 presents and there are 3 children, how many presents are needed?  
If everyone in your (extended) family eats 5 sprouts at dinner, how many do we need to cook?
