

# Just to Let you Ho Ho Ho...

## Homework

Next term we will be starting our Material Mayhem topic. We will be looking at forces, magnets and the properties of materials.

We will be visiting the Science Museum in London on Tuesday 23rd January. Letters will be given out for this trip when we are back in January. However, please email your child's class teacher if you are available to help with the trip.

There will be no spellings to learn over the Christmas holidays, but please encourage your children to write their own Christmas cards and practise their words so far. There will be no homework but please keep up the fabulous reading at home and encourage your child to complete at least one reading task over the holidays. Please also continue to use Lumio.

## Help walking to church needed

We still need a few parents to help walk the children to and from church on the afternoon of Wednesday 20th. We will be leaving here at 1:15pm. Please email your child's class teacher if you can help.

## Key dates:

**Wednesday 20th December**—Church service at 1.45pm

**Thursday 21st December**—End of term (finish at 1.45pm)

**Tuesday 23rd January**—Trip to London Science Museum

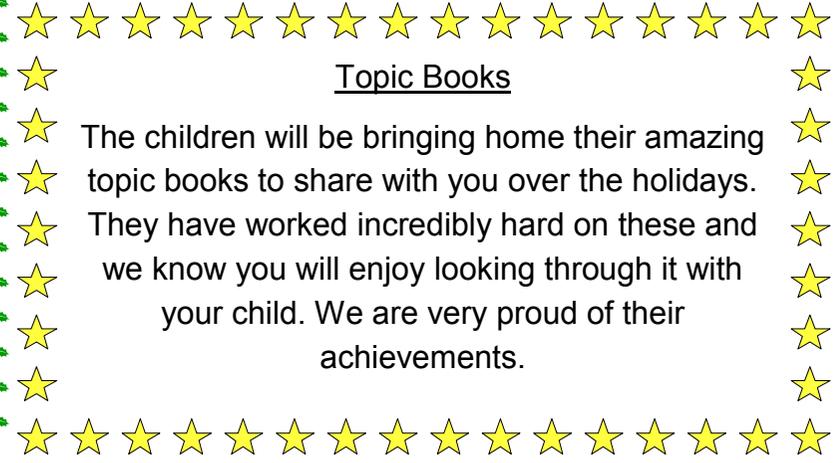

**Have a great Christmas!**

**Best wishes,**

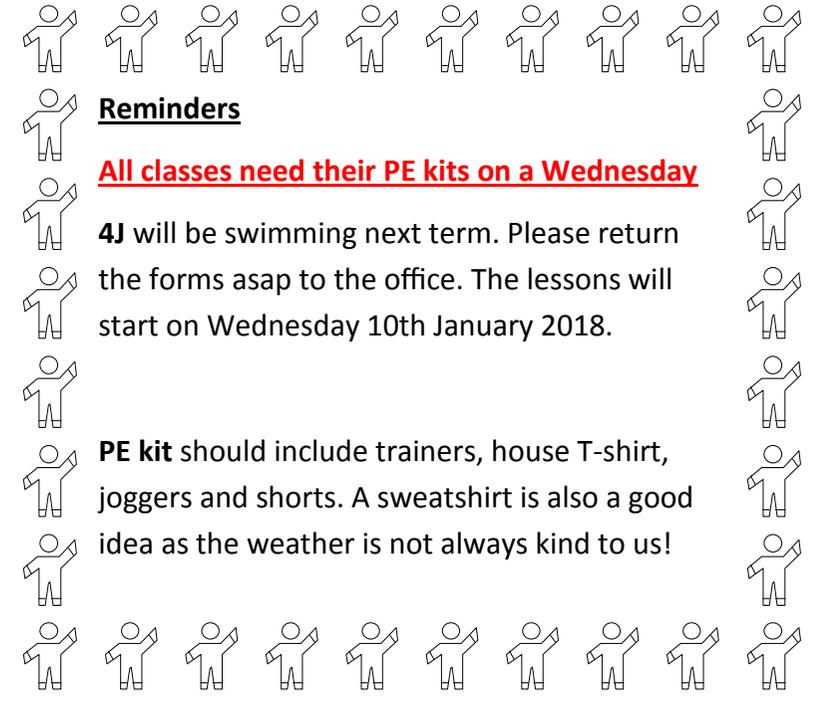

**James, Rachel and Sarah**

**We look forward to starting back at school on Friday 5th January 2018!**

## Topic Books

The children will be bringing home their amazing topic books to share with you over the holidays. They have worked incredibly hard on these and we know you will enjoy looking through it with your child. We are very proud of their achievements.

## Reminders

**All classes need their PE kits on a Wednesday**

**4J** will be swimming next term. Please return the forms asap to the office. The lessons will start on Wednesday 10th January 2018.

**PE kit** should include trainers, house T-shirt, joggers and shorts. A sweatshirt is also a good idea as the weather is not always kind to us!
