

# Just to let it snow...

## Weekly Experts

After the Christmas break, we are looking for experts on the human body to speak to the children about their particular

Specialism e.g. doctors, midwives, nurses, surgeons, physiotherapists etc.

Please contact [jjb@htpd.surrey.sch.uk](mailto:jjb@htpd.surrey.sch.uk) if you are interested in doing so.

## Spanish Trip

Helen Pronger has been running a Spanish club on Wednesday lunchtimes for children interested in participating in the eTwinning project. She gave out letters last week to the club about hosting a child in March. Please let her know if you are interested in hosting a boy or a girl (or two) between Monday 5th March – Friday 9th March or contact her if you would like any more information.

## All About Me

On the first day back in January, the children will be making a collage all about themselves. Over the Christmas break please collect magazines and pictures which they could use.

Dear Parents,

Merry Christmas to everyone, we hope you have a fantastic break and enjoy a well earned rest! Thank you so much for your support this term and your generous gifts and Christmas greetings!

Congratulations to all of year 6—you've had a brilliant start to the year and we look forward to seeing you back in the New Year.

Thursday 4th January is an INSET day; school starts back on Friday 5th. If you are stuck for any stocking fillers, any books on the human body or 'The Hobbit' will be hugely helpful for next term's topics!

Best wishes

Tom, Helen, JJ and Mary
