*This week the children have discovered some amazing ice eggs in the nature area. We then brainstormed appropriate adjectives and similes to describe the eggs and planned our own ice egg stories. We were really pleased with the way the children had a go at writing their own stories independently. Their understanding of full stops and capital letters and when to use adjectives is certainly improving.*

**Your children should know which colour reading book they are on and how to change them. Please read with them as much as possible.**
