

Just to let you know...

It has been a fantastic week in year 5. Most of the week has been spent preparing for our Earth Summit, which I hope you agree was a huge success. The children worked incredibly hard on their topics and we were really proud of the children's commitment.

Homework

Next half term we will be starting our Egyptian topic. We are really excited by the topic and think that there will be lots of opportunity for creative and engaging lessons. For homework we would like each child to create a fact file about one of the Egyptian gods or goddesses. They might choose Geb, the God of earth, or Bes the God of family - or even Ma'at the God of justice.

Thank you so much to the HTSC for giving us all these wonderful gifts for our classrooms.!

Brenscombe

There will be an important meeting on Thursday 26th of February to discuss our upcoming residential. Please can you return all medical forms ASAP.

Hyphens are used to link words and parts of words. They are not as common today as they used to be, but there are three main cases where you should use them in compound words, to join prefixes to other words and to avoid ambiguity.

Group 1:

recover, re-cover, resigned, re-sign, co-operate, co-ordinate, quick-thinking, well-known

Group 2:

recover, re-cover, resign, re-sign, co-own, fair-haired
