

# Just To Let You Know

## Under the Sea LEAP

It's been very exciting starting a new LEAP this week. The children have so many lovely ideas. Both classes have been busy making watery role play areas and fishy related craft.

If your son or daughter has a book about fish or the sea that they'd like to bring in and share with their class, we'd love to see it. Please make sure it's named.

Thank you

## Wild Place

We had a lovely time building shipwrecks at the Wild Place on Wednesday.

At last the weather seems to be milder and we'd like to go if we can. If you are willing and able to help-there is a sign up sheet in the corridor outside the classrooms.

Please make sure your son or daughter has a named pair of wellies in school-the allotment is pretty muddy...

# Hazel & Willow

## Parents' Evenings-4th & 5th March

We are looking forward to seeing you and if you haven't got your appointment slip please do ask us.

The appointments are for 10 minutes and we will do our best to keep to time. Someone in the office will tell you where we are meeting. While you are waiting for your appointment please do take the time to enjoy looking round the classroom and at your child's folder of their lovely work.

## Spring has almost sprung!

We'd like to give the Reception garden a bit of TLC ready for the summer.

Any donations of plants, flowers or bulbs would be very much appreciated.

We are happy to plant these with the children. Equally, if you'd like to come in and do some gardening with the children, that would be lovely too!

Just speak to Sian or Sarah.
