

# Just to let you know...

This week in English we have been writing our Earth Summit speeches. We have been blown away by how the children have managed to combine emotive language and their research to produce some truly powerful pieces. We can't wait for you to hear them, bring your hanky!

In Maths this week we have been enjoying our measurement carousel. Each class has had the opportunity to consolidate their knowledge of capacity, length and weight. We have also covered rounding numbers to the nearest 10, 100, 1000 and 1 decimal place.

If you would like more practise visit the [MyMaths](#) website; there are some great activities!

## Important Notices

- Our **Earth Summit** will next **Wednesday the 11th February at 6pm!** We would love as many parent's as possible to come and celebrate all of the children's hard work.
- If you have not paid a deposit of £100 for Brenscombe Farm, please do so. The first instalment of £62 was due on February 2nd. If you haven't paid this yet, please do so asap. Please speak to your class teacher if you are unable to make this deadline.

## INTECH

Apologies that we couldn't make Intech this week. We were all disappointed however we are currently trying to re-book it for some time in the summer term. We will keep you posted.

## Homework

This week we would like the children to find at least 3 statistics relating to their Earth Summit topic and use these to create a fact leaflet to hand out at the presentation.

## Spellings for this week are:

### Group 1

responsible, responsibly, incredible, forget, forgetting, equal, equalling, distil, distilling, limitation, limiting

### Group 2

limit, limited, begin, beginning, prefer, preferred
