

JTLYK Reception

Friday 3rd February 2017

Fluffy Friday 10th February

This whole -school activity day takes place next week. Reception will be holding our very own Fluffy day with lots of great activities. The children should bring in £1 to cover resources and can wear their own home clothes.

Internet Safety Day - what Reception will cover

We will be talking to the children about how important it is that an adult supervises any internet access they have and that they should never go on to the internet on their own.

Bedtime Story Night Tuesday 7th February

One of our favourite school events! The children return to school at 5.15 and come to their classrooms to hear a story (yes, even the teachers have their pj's on). Parents can enjoy a cuppa in the hall until 6 pm).

Dear Parents

Thank you so much for your fantastic support of our 'stay and play' session on Wednesday afternoon. The children really enjoyed showing you their learning environment and singing songs to such an appreciative audience!

We really enjoyed our visit to the Pewley Hill Allotments on Tuesday to look at how we can grow food. We are so grateful to our lovely parents who volunteer to help us and make all this possible.

This week we read the story of 'The Magic Porridge Pot' and decided to make our very own porridge this morning. We read a recipe, measured out our ingredients and helped to make a huge pot of porridge! We then wrote our requests for our choice of delicious toppings (banana, golden syrup or sugar!).

We have also been learning about the number 14, how to count the correct amount as well as writing the number correctly.

Have a great weekend!

The Reception Team :))
