

Just to let you know...

Dear parents,

This week has been full of wonderful learning and discovery. Not only did we have our poetry recitals but we also had more incredible science. Our investigation this week involved looking at reversible and irreversible change. Ask your child to tell you what happened to the bread, sugar, flour, chocolate and margarine.

Have a great weekend!

Nick, Sarah and Emily

Spellings

Please learn the spellings below.

looked, hopped, liked, wished, jumped, joked, (heard)

Times Table Rockstars!

Wow! The children are doing amazingly well with Times Table Rockstars. They especially enjoy seeing their names on the leaderboard at school. Please give us any feedback about how your child is getting on.

Fluffy Friday

The children have been told their Fluffy choices for next week. Some of the activities have permission slips so please ask your child what they are doing and whether they have a form that needs to be completed.

Homework

The homework is to make a poster for the rules of rounding in maths. See homework book for further details.
