

Curriculum News

Literacy

The children have been hard at work on their newspaper articles this week. We have learnt how to insert quotes and about summarising events. We have also had a fun writing alliterative headlines like this one

'Great Greeks Win War!'

Maths

We have continued to look at multiplication during numeracy. We have been applying our understanding to real life problems such as this. Richard has 3 packs of pencils. There are 12 pencils in a pack. How many pencils does he have altogether?

DUCKS

Quick, quicker, quickest
Close, closer, closest
Thin, thinner, thinnest
Crazy, crazier, craziest
Lucky. Luckier, luckiest

RABBITS

Cold, colder, coldest
Rich, richer, richest
Happy, happier, happiest
Fat, fatter, fattest

Time machine

On Monday we will be building our world famous time machines. The children will work in groups to create their very own contraptions. It would be really helpful if you could search your house for any boxes and old technology. We will also need tin foil, string, cardboard tubes and anything else you think might help us travel through time.

Have a great Week
Best Wishes
The Year 3 Team

Reminders and Notices

Wednesday is our PE day every week. 3N are doing Gym and 3G are doing dance. **3C are swimming** this term. Please ensure that your child has the correct kit. Hats and goggles are optional.

Mathletics

There is now an activity to try on 'Multiplying by 4' for the children to try at home
