

# Just to let you know...

Reception

Hazel & Willow

## Phonics

This week we are introducing the 'long ladder letter family.' These are: l, I, t, y, u and j. All these letters start at the bottom, go up tall and come back down again.

Thank you for all your donations of recycled junk for modelling. Do please keep bringing things in.

## Cooking Corner

This week we are going to be making 'moon' rock cakes!

Year 5 at Holy Trinity are also learning about Space. They are coming to visit on Wednesday morning and we are going to share our work with each other.

## Maths

We will be continuing our work on adding by combining numbers of objects.

The teachers will be modelling how number sentences are written.

If you do any work on this at home please use language such as add, and, altogether, more, makes and equals.

Below are 2 interactive games using pictures that might want to try at home.

## Trip to the Moon-Friday 31st January

We are really looking forward to our trip to the moon on Friday. The children have been working very hard this week to get ready. Your children are allowed to come to school in white, grey or black clothes as part of their astronaut uniform.

We will make sure we take lots of photos so you can see what it was like on the website.

We can't wait!
